An overview of The Residence Collection

What is The Residence Collection?

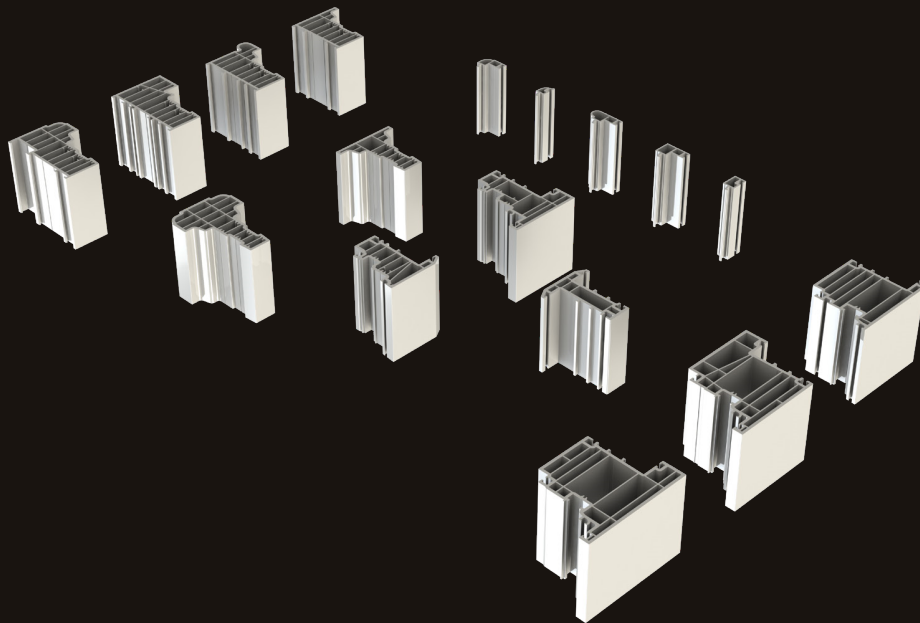

A suite of premium window and door systems, all designed and extruded in the UK.

It incorporates both Flush sash and Storm sash options for windows and doors, in varying frame depths of 75mm, 85mm and 100mm.

The range includes a full catalogue of ancillaries comprising of multi-angle bays, couplers, georgian bars, cills and hardware.

We are a developing business and adapting with changing trends, technology and social circumstances. What isn't changing is our commitment to designing beautiful products of the highest quality, with an uncompromising attitude towards high performance and aesthetics.

Be part of the The Residence Collection.

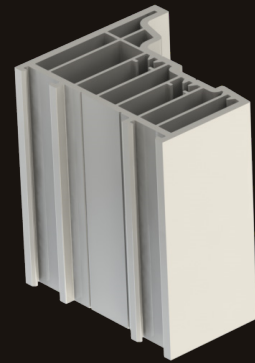

THE
RESIDENCE
COLLECTION
